Peru  
Meson Cooperativa de  
Peces, competition + mesones  
party was the best dinner.

The service was slow us  
we soon became impatient

Slept very little & had to eat my  
breakfast late up in the sun. Then  
took bus to market. Went to  
local market first Kuyani. Visited  
shops to buy meat, but butcher was  
gone & came to some music stores.  
Visited the Turin Service + saw one  
phone shop - 400 pesos + ours  
which had to wait to be set up.  
Met friend Francisco (museum  
representative) never seen me  
before he was there. Also saw  
several cocks in a tree. Invariably  
1 or 2 in a public spot but obviously  
in "private" about 10-15 km away  
from market. Met Hugo Tapia  
from the Pescado 2370 Kuyani +  
Humberto Gutiérrez + his wife  
María Luisa from Chimbote +
