(Song to the Tune of "Merry Christmas Everybody")

Are you hanging Z/Yen e-diaries on your wall?  
Are you off with Jez for one great long pub crawl?  
Are you going somewhere fancy?  
Like Dubai or Grand Cayman?  
Or a tube around the Circle Line Zone One?

So here it is,  
Z/Yen at Christmas,  
Everyone's in party mood,  
Except for Ian's vibe,  
He's more like Mr Scrooge.

Are you waiting for the telephone to ring?  
Are you sure you've got the voice enough to sing?  
Is it Linda always tells you  
You've received more client files,  
That'll take so long to process you'll get piles...

So here it is,  
Z/Yen at Christmas,  
Everybody's having fun,  
Look to the future now  
We sing in Unison.

Are you hanging Z/Yen e-diaries on your wall?  
Has Monique picked up another cold sales call?  
Does he claim he's Michael's brother?  
Or he's Ian's long lost friend?  
Does his patter drive you half way round the bend?

So here it is,  
Z/Yen at Christmas,  
Everybody's up the creek,  
Look to the future now  
We'll still be here next week!!
