

D-Marks! Z/Yen Angels Sing/ Gloria (In Excelsis Deo)

(in the Mariah Carey style)

"D-Marks!", Z/Yen angels sing
Glory to the Euro thing
Peace in Europe, markets wild
Blair and Schroder reconciled
Joyful all recessions rise
Join the Bank of England's sighs
With Zeee/Yen consultants claim
Markets are in may-eh-hem

"D-Marks!", Z/Yen angels sing
Glory to the Euro thing

Glo....oh....oh...oh...oh....ohria
In consultants' fee-ees
Glo....oh....oh...oh...oh....ohria
In consultants' fee-eee-ees

Z/Yen by highest fees adored
Z/Yen for those who can afford
Late in time, does Ian come
Often late, the favoured one
Z/Yen, so fresh the clients see
Hail, the astronomical fees
Pleased as gods with men to dwell
Z/Yen as blasphemous as hell

"D-Marks!", Z/Yen angels sing
Glory to the Euro thing

Glo....oh....oh...oh...oh....ohria
In consultants' fee-ees
Glo....oh....oh...oh...oh....ohria
In consultants' fee-eee-ees
