

Oh Little Court Of St Helen's

Oh little court of St Helen's
How swish we see thee lie!
Beneath thy deep and wealthy sleep
Z/Yen's offices abide
And in these dark deep shadows
The everlasting blight
Consultancy adds to your years
When packed as tight as mice

How crowdel-y, how crowdel-y
Z/Yen dishes out advice
Beside the frozen servers
And other bust device
Paper's overflowing
But Linda's looking nice
And if we get our Seventh Heav'n
We'll soon trash Number Five
