

## Z/YEN'S ONLY CONNECT2PROSPER CHRISTMAS QUIZ 2023

Match each Christmas song title with each esteemed person from another, seemingly unconnected, walk of life. Each esteemed person has an interesting tangential connection with the composer (or one of the composers) of one of the Christmas songs.

One point for each correct esteemed person match. One point for the name of the connected composer. Up to three points per connection for the explanation: Three points if you are spot on, two points if you are almost there with the explanation, one point if you are vaguely on the right track or if your spurious connection is imaginative/amusing enough to merit a point.
